

AMERICAN HINDU ASSOCIATION (AHA) - Federal ID: 39-1945997 [A 501(c) (3) tax-Exempt Organization] is soliciting your tax-deductible contribution for the victims of the EARTHQUAKE in Nepal.

As you all may be aware Nepal has been struck with a devastating earthquake tragedy with over 1,400 deaths estimated just now. We pray for the peace of the departed souls and well-being of the victims and their families of this natural disaster.

"Service to the humanity is the worship to God".

As part of AHA's community service charter, we are taking this initiative to help our fellow brothers and sisters at these difficult and tragic times for the Nepalese community. At this moment they need our help, to survive hunger and disease, and to rebuild their lives. We hope that our community here in Madison and United States will respond at this time of great need for the people in Nepal.

AHA will help collect all of your generous contributions and channel this specifically for the purpose to the voluntary and other non-governmental organizations (NGOs), who are currently engaged in the relief and rehabilitation of victims. **100% of the donations will be given to non-profit agencies in the disaster areas.**

Please contribute to our disaster relief fund by writing a check payable to, **American Hindu Association or AHA**, with Nepal Earthquake Relief mentioned in the memo.
