## Dollar-A-Day Program - Frequently Asked Questions

- **How does the dollar-a-day program work?**

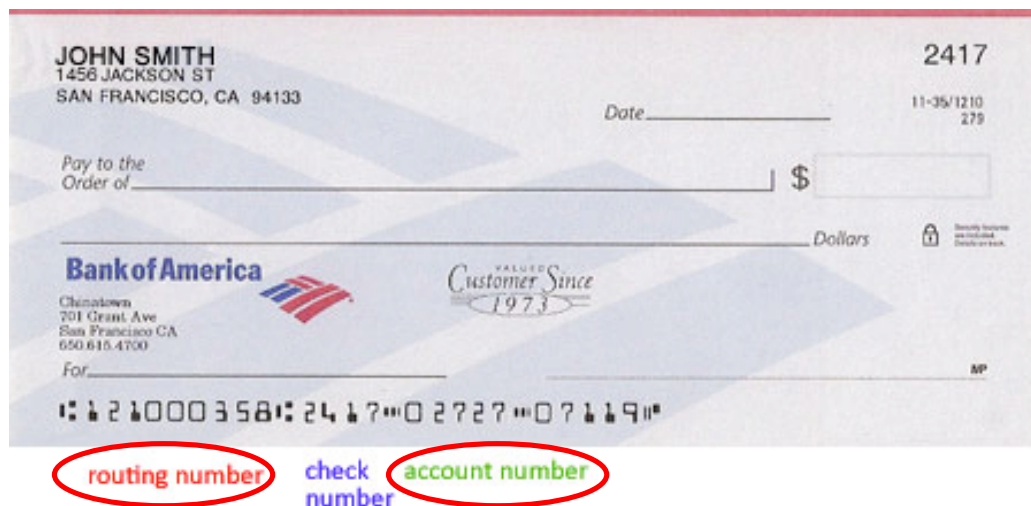

You would fill out a form authorizing AHA to debit their bank account every month for \$30 and hand it over along with a voided check from the bank account that the monthly donation should be debited to.

- **Can I make a one-time donation instead of signing up for this program?**

While we appreciate all donations, having the predictability of monthly donation inflow allows us to plan our building expansion project, operational expenses and ongoing temple activities.

No confidential information is required. Only routing number and account number is required to start the program and this information is already available on the checks written by devotees.
